

# READ-A-THON 2018

Burrabadine Cornerstone Community School's Read-a-thon is inspiring kids to read! We are also raising funds to update our school Library.

## How it works:

Read for our Library!

*Start: 27<sup>th</sup> August*  
*Finish: 10<sup>th</sup> September*

- Participants find sponsors who pledge money for every book/minute read from the 27<sup>th</sup> of August to the 10<sup>th</sup> of September.
- Sponsors can pledge an amount per book/minute up to a certain amount or they can pledge a fixed amount donation.
- Books should be age appropriate and parents of younger children are welcome to read with their child.
- Participants will use their 'book log' to record the books they read. Parents/carers or teachers need to verify this by signing each entry.
- At the end of the Read-a-thon, participants/parents collect the sponsorship money and hand it into the school office along with the book log and pledge form.
- Participants will be able to win prizes based on the amount of money they raise.
